# About Me

MedSky Billing is dedicated to making healthcare billing simple, accurate, and transparent. We help clinics, hospitals, and healthcare professionals manage their billing, claims, and payments smoothly so they can focus on what matters most patient care. Our team uses modern tools and clear processes to reduce errors, speed up reimbursements, and improve overall revenue cycle management. At MedSky Billing, we believe in trust, confidentiality, and reliability, ensuring that every transaction is handled with care and professionalism.

# Educational Background

Our team is qualified in medical billing, coding, and healthcare management. We hold relevant degrees and professional certifications, and we regularly update our skills through trainings and courses. This strong educational base helps us deliver accurate and reliable billing services.

## *Medical Billing Trainee*

### **MEdSKY BILLING LLC**

Worked on basic billing procedures, learned claim submission and patient billing workflows.

## *2018 – Training Intern*

### **MEDSKY BILLING LLC**

During my trainee and internship period, I worked in medical billing and coding, learned claim submission, patient data management, and denial handling. I gained hands-on experience with insurance claims, payment posting, and basic revenue cycle management while working with senior billing professionals.
